FundFacts

The Fund seeks long-term growth of capital. It searches across a broad investment universe to find attractive or improving businesses at bargain prices. We believe this flexible approach allows the strategy to capitalize on undervalued shares in attractive businesses no matter whether the stocks are statistically characterised as "value" or "growth" investments.

Past performance may not be a reliable guide to future performance and you may not get back the amount invested.

Performance data above relates to the Brown Advisory U.S. Flexible Equity Fund. The performance is net of management fees and operating expenses. This communication is intended only for investment professionals and those with professional experience of investing in collective investment schemes. Those without such professional experience should not rely on it. The Fund's investment strategy is the same as the Brown Advisory Flexible Equity strategy which was established in 1993. Long-term performance available upon request. Changes in exchange rates may have an adverse effect on the value price or income of the product. The difference at any one time between the sale and repurchase price of units in the UCITS means that the investment should be viewed as medium to long term. This factsheet is issued by Brown Advisory Ltd, authorised and regulated by the Financial Conduct Authority. This is not an invitation to subscribe and is by way of information only. Cancellation rights do not apply and UK regulatory complaints and compensation arrangements may not apply. This is not intended as investment advice. Investment decisions should not be made on the basis of this factsheet. You should read the Fund's prospectus in full to understand the features and risks associated with this Fund. The Fund's prospectus and Key Investor Information Document are available by calling 020 3301 8130 or visiting the Brown Advisory website.

The Brown Advisory U.S. Flexible Equity Fund is a sub-fund of Brown Advisory Funds plc, an umbrella fund with segregated liability between sub-funds. The Fund is authorised in Ireland as a UCITS pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities Regulations, 2011 as may be amended, supplemented or consolidated from time to time) and a recognised collective investment scheme for the purposes of section 264 of the Financial Services and Markets Act 2000. The Fund is managed by Brown Advisory LLC. Brown Advisory is the marketing name for Brown Advisory LLC, Brown Investment Advisory & Trust Company, Brown Advisory Securities LLC, Brown Advisory Ltd., Brown Advisory Trust Company of Delaware LLC and Brown Advisory Investment Solutions Group, LLC.

The S&P 500 Index represents the large-cap segment of the U.S. equity markets and consists of approximately 500 leading companies in leading industries of the U.S. economy. Criteria evaluated include market capitalization, financial viability, liquidity, public float, sector representation and corporate structure. An index constituent must also be considered a U.S. company. An investor cannot invest directly into an index.
