Past performance may not be a reliable guide to future performance and you may not get back the amount invested.

Performance data above relates to the Brown Advisory U.S. Small-Cap Blend Fund. The performance is net of management fees and operating expenses. This communication is intended only for investment professionals and those with professional experience of investing in collective investment schemes. Those without such professional experience should not rely on it. The Fund's investment strategy is a 50%-50% blend of the Brown Advisory Small-Cap Growth strategy (established March '93) and the Brown Advisory Small-Cap Value strategy (established January '09). Long-term performance available upon request. Changes in exchange rates may have an adverse effect on the value price or income of the product. The difference at any one time between the sale and repurchase price of units in the UCITS means that the investment should be viewed as medium to long term. This factsheet is issued by Brown Advisory Ltd, authorised and regulated by the Financial Conduct Authority. This is not an invitation to subscribe and is by way of information only. Cancellation rights do not apply and UK regulatory complaints and compensation arrangements may not apply. This is not intended as investment advice. The Brown Advisory U.S. Small-Cap Blend Fund is a sub-fund of Brown Advisory Funds plc, an umbrella fund with segregated liability between sub-funds. The Fund is authorised in Ireland as a UCITS pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities Regulations, 2011) as may be amended, supplemented or consolidated from time to time) and a recognised collective investment scheme for the purposes of section 264 of the Financial Services and Markets Act 2000. The Fund is managed by Brown Advisory LLC. Brown Advisory is the marketing name for Brown Advisory LLC, Brown Investment Advisory & Trust Company, Brown Advisory Securities LLC, Brown Advisory Ltd., Brown Advisory Trust Company of Delaware LLC and Brown Advisory Investment Solutions Group, LLC.

The benchmark is the Russell 2000® Index. The Russell 2000® Index measures the performance of the small-cap segment of the U.S. equity universe. It is a subset of the Russell 3000® Index representing approximately 10% of the total market capitalization of that index. It includes approximately 2000 of the smallest securities based on a combination of their market cap and current index membership. The Russell 2000® Index is constructed to provide a comprehensive and unbiased small-cap barometer and is completely reconstituted annually to ensure that larger stocks do not distort the performance and characteristics of the true small-cap opportunity set. The Russell 2000® Index is a trademark/service mark of the Frank Russell Company. An investor cannot invest directly into an index.
